

Saenai Heroine no Sodatekata Fine

Saekano the Movie: Finale

Score: **8.42**

Rank: **#183**

With the second Winter Comiket just around the corner, Blessing Software has been vigorously producing its new game, "How to Raise a Boring Girlfriend." Despite Utaha Kasumigaoka and Eriri Spencer Sawamura leaving the circle, Megumi Katou and Tomoya Aki are hopeful that, by sticking to Tomoya's original vision for the game, their upcoming creation will exceed Blessing Software's previous installment.

With the addition of new members Iori and Izumi Hashima, development ensues—but not without its share of setbacks. Things rarely go as planned in the dating sim industry, with numerous obstacles forcing Tomoya to decide between helping his friends or completing the game. The series draws to a close as Tomoya selects his final route, both within his personal life and Blessing Software.
